

Refurbishment and Fit Out

Project: The refurbishment of offices, kitchens, and rest rooms

Client: NHS Mental Health Trust

Value Range: £40,000

Duration: 3 weeks

The project was awarded following a traditional tender, where Pembury secured an internal refurbishment for a North London NHS Mental Health Trust.

The project involved the following works:

- Strip out of internal walls, doors, ceilings, floor finishes, mechanical and electrical services
- Install new partitions, doors, kitchens, floor finishes
- Complete redecoration
- New suspended ceilings
- New mechanical and electrical installation
- New fire, nurse call and alarm systems

The works were carried out in partial occupation during normal hours, and were completed on time and to budget.
