

### Refurbishment and Fit Out

**Project:** Olympus House Ground Floor Fit Out

**Client:** Kellogg Brown and Root (KBR)

**Value:** £50,000

**Duration:** 3 weeks

Pembury were invited by KBR to tender for the internal fit out works at Olympus House for end user client TOTAL, which was secured after competitive tender.

The works comprised, demolition and strip out of existing partition layouts, new internal glazed partitioning, doors, suspended ceilings, air conditioning, electrical (power and lighting), soft floor finishes, vertical blinds, and two kitchenette areas and decorations.

The works were completed within budget to a very demanding timescale and coordinated on site with other direct client contractors.
