Project: Office refurbishments in Bromley and Bexleyheath, Kent

Client: Oxleas NHS Foundation Trust

Value Range: Combined £100,000

Duration: 4 weeks each

Pembury successfully tendered for Oxleas NHS Foundation Trust for the office refurbishment in two separate buildings.

The works involved the demolition of load bearing masonry partitions, new steel works within the buildings, new partitioning, suspended ceilings, lighting, data, small power, fire and intruder alarms, flooring, redecorations.

We had to work out of normal site hours on noisy and disruptive works.

The works were completed to a high standard to time and budget.
