**Project:** External Works

**Client:** Redbridge PCT

**Value Range:** £100,000

**Duration:** 8 weeks

Pembury submitted a successful tender to Redbridge PCT for the external works at Redbridge Learning disabilities centre in Walthamstow, E17

The works involved the removal and reinstatement of 900 m<sup>2</sup> of car parking, fencing, new bin store construction, traffic entry barrier, external lighting, repairs, decoration to external windows and doors, lamp posts, road markings.

The learning centre remained operational through out the complete project, with works phased to avoid disruption to patients and staff.

The works were completed to a high standard in challenging conditions.
