Project: Internal refurbishment of a doctors surgery

Client: NHS City and Hackney

Value Range: £90,000

Duration: 4 weeks

Pembury were invited to tender for the internal refurbishment of a doctors surgery in Well Street, Hackney, London, E9

The works included internal strip out, new partitions, floor coverings, new sterile WHB, worktops, new kitchens and bathrooms, redecorations, minor small power, lighting, alarms, and gym area.

The building was vacant over 3 floors, and we had up to 25 operatives working to complete.

The works were completed on time, to revised budget and to a high quality.
